

Coming in April

Parents,

To ensure we are meeting the needs of our parents and students, we would like for you to participate in the NCSS Parent and Family Engagement Survey.

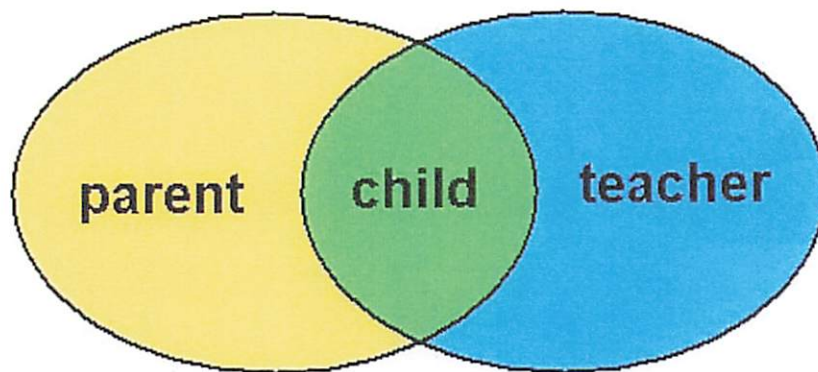

The survey can be completed in one of the following ways:

- Visit your child's school website and click on the Parent Survey link.
- Visit your child's school and complete the survey online.
- Request a paper copy of the survey from your child's school and return it by [April 26, 2024](#).

In an effort to meet the needs of every parent and every student we are asking that parents take one survey per student within the District.

The survey will open [April 15, 2024](#). The deadline for completing the Parent Survey is [April 26, 2024](#).

Thank you for your support of the Newton County School System.
